REPORT

Project Objectives *

What did the project achieve? *

Which RCH Strategic Priority did this project address and how? *

Key Performance Indicator 1

Please report back directly on how the project addressed this KPI

Key Performance Indicator 2

Please report back directly on how the project addressed this KPI

Key Performance Indicator 3

Please report back directly on how the project addressed this KPI

Was new knowledge created for the hospital and/or the community and if so how was it disseminated (papers, conference presentation etc.)? *

What are the long-term impacts of your project? *

How is the equipment making a difference to the children under the care of the RCH? *

How will the issues the project was addressing be managed by the hospital now the project is complete? *

Have there been any changes to the timeline or activity of the project that differs from the original approved application? *

Please note:

the equipment question only relates to equipment grants

the second last question is only applicable to the final report
